Why sell fireworks?

Selling fireworks lets you or your organization put your fundraising efforts to best use. Instead of five to ten annual projects or a full time summer job, Red Hot Fireworks can maximize your earnings by selling fireworks once a year.

Are fireworks legal in my state?

Yes, we have taken time to research what is legal for Arizona. The products we sell are called "Consumer Fireworks". We offer for sale a wide variety of, novelties, smoke items, sparklers, and fountains. By state law we do **not** sell, firecrackers, rockets, or aerial items in Arizona. In certain circumstances local ordinances may prohibit the sale and/or use of firework devices. Red Hot researches all local ordinances and works with local officials to ensure all locations meet or exceed all requirements necessary to operate a location.

How will I know what is needed to operate effectively?

Red Hot Fireworks will provide you or your group with an extensive training orientation to help you run your location effectively! Red Hot provides the location, tent or store, all permits and licenses, operating supplies, and carefully selects a good product mix based on our experience in the area.

How much can I make?

Profits are determined by volume. While we cannot guarantee a specific amount that you will make, our lowest volume locations should earn a minimum gross profit of $ 2,500. Medium to large volume locations will earn you considerably more than that amount.

How much time is involved?

The average sales season lasts about two weeks. Your group will need to provide staffing to cover our suggested retail business hours of approximately 9AM to 9PM daily for that timeframe.

Where will we sell?

We work with retailers, property managers, and property owners to secure the best spot available. Locations are filled on a first come basis.

2. Write down any questions you may have along the way. We will be more than happy to answer them at our meeting.
3. Fill out the credit application (.pdf) or credit application (.doc). Red Hot Fireworks requires a credit check; due to the amount of trust associated with this agreement. We lease the location, insure it, and stock it with a large order of fireworks with no money down from you. We must know you are a responsible person with an adequate history of repayment.
4. Fax: (815-550-9163) OR mail to: (PO Box 820 Wittmann, AZ 85361) Remember, we fill locations based on the order of credit approvals. If you want your choice, get this in ASAP.

6. Use this Group Handout to present to your church or group.
7. We will put your location on hold once we approve your credit application.
8. Our office must approve you/your group before we meet and complete the contract. The credit application and guarantee form must be completed by the person who will sign the contract. Please call if you have questions.
9. Once approved, we will schedule a meet in order to explain and complete the contract.

Note: We will put the location on hold for 5 days once we approve your credit application. Until a contract is signed the location remains open.

If we don't hear back from you after the five days, the designated location is "up for grabs" to all other approved applicants interested.

Remember the sooner you are approved the faster we can assure your "choice" location.

First come, first serve…so don't delay!

To Whom It May Concern,

I would like to personally recommend Red Hot Fireworks for your fundraising needs. My husband & I worked closely with them when we had our tent.

They did an outstanding job guiding & helping us through the process of training & setting up our tent. During fireworks season, they were always available to answer questions & help us with any problems we had. I have never seen such unbelievable customer service as we received from them! They are amazing! They were always there & worked through all the logistics that were needed to make our tent successful.

At first being a pastor, I was a little apprehensive about having a fireworks fundraiser. I'm not a big fireworks fan myself, but then I understood the potential for funds that could be raised for our ministry & what we could do with all that money. For ten days we worked & got volunteers to help. With the volunteers help, we were able to fund our programs throughout the year. We're not just talking about a couple bucks through a bake sale; it was thousands of dollars we made! It was awesome!

Not only did we make a lot of money for our church, but we also were able to advertise our church in the community & have flyers & information about us at the tent. It was very well received. Think about what people said... "A church selling fireworks? They must not be too stuffy & boring, I think I'll check them out some Sunday." It also gave our congregation a chance to serve together & get out of the doors of the church & meet people in our community where we reside.

I would highly recommend Red Hot Fireworks as a great way to fund an existing ministry or simply add needed money to your general fund. Try it for one season, you'll be back!

Feel free to contact me with any questions you might have in regard to them.

Thank you,

Rev. Sheri Olson
